**Subject:** Re: For EPA/NOAA/UW mtg on Mon: Examination of 2011 & 2013 pteropod dataset

I think it is important for Nina to attend, since pteropods are a discussion topic.

Nina, if you can Skype call in that might be a solution...?

Hi Nina,

I don't know if we can Skype from the office. I'm making some inquiries. If not, and it isn't convenient for you to call in, that is totally fine. I think everyone else should be able to answer our questions. I apologize for the time; I didn't know you were planning on trying to call in, although I don't think we could have done much better for you anyway. Thanks.

Hi Jill,

These are very late hours for me (I am in Germany at the moment). Could you also set up Skype so I could call in from my home (instead of staying in the office so late).

Thank you so much,  
Nina
